TOP 10 REASONS THE CORPS MIGHT BE RIGHT FOR YOU

Public Health Marketing and Recruiting Outreach
U.S. Public Health Service Commissioned Corps

AS A COMMISSIONED CORPS OFFICER, YOU WILL...

1. Have the opportunity to make a difference by serving those most in need
2. Potentially have opportunities for educational loan repayment
3. Be on the front lines of delivering the Nation's public health promotion and disease prevention programs and advancing public health science
4. Flexibility to choose your assignments over the course of a career
5. Work with and be connected to well-trained, highly qualified colleagues from a diverse set of health care backgrounds
6. Be exposed to a variety of experiences across more than 20 different Federal agencies, in every state of the U.S., giving you the flexibility to control your own career path
7. Be a critical component of the largest public health program in the world
8. Fill essential public health leadership and clinical service roles in places where your service really matters
9. Receive a competitive compensation package, including no-cost health/dental care for life, enrollment in a non-contributory retirement plan, and 30 days paid vacation
10. Serve your country in one of the seven uniformed services
